

At **Peterborough Women's Enterprise Centre** we know how scary the thought of working for yourself and managing the challenges of running a business can be.

Wherever you are in Peterborough, we won't baffle you with jargon, but share our wealth of knowledge and expertise in a friendly and supportive way.

**We're looking for women who are interested in exploring whether their ideas can grow into businesses, and open to learning how to make it happen.**

Join our really flexible, totally **FREE programme** that can help you every step of the way, from the first stages of your idea through to planning and launching your business, and beyond.

*So why not give us a call today?*

**Be someone who can say...**  
*"I'm glad I did"*  
**rather than...**  
*"I wish I had!"*
