Dear Year 6 Parents/Carers

Our next 'Strengthening Families' Programme 2013

Information Session: Monday 13 May at 3.45pm at Jack Hunt School (report to reception)

We are hosting an Information Session where you can learn more about an opportunity **for you and your child** to attend some parenting sessions called 'The Strengthening Families Programme'. This well established Programme involves attending **seven** workshop sessions to be held **weekly** on Mondays at Jack Hunt School from **3.45 until 6 pm. The first workshop will be on Monday 3 June 2013** (The last workshop is on Monday 15 July)

The programme covers the following topics

- *Do you want to enhance and strengthen your family communication?*
- *Do you want to help your child – prepare for his/her teenage years?*
- *Do you want to strengthen your child's transition from his/her Primary School to Jack Hunt School?*
- *Would you like to discuss what makes your family strong with a small group of parents? Solve problems together? Have fun in activities and games?*

If you are interested and would like to find out more then we would like to invite you to a meeting on Monday 13 May at Jack Hunt School. During this session you will be introduced to our Strengthening Families Team: Mrs M Brown, Mrs T Westall and Ms P Cherry.

Please return the reply slip to Maureen Stringer at Jack Hunt School by **Tuesday 7 May 2013**. Alternatively email the form, or information back to mstringer@jackhunt.peterborough.sch.uk

Yours sincerely
