Rowing: James Fox qualified to represent Great Britain at the European Junior Rowing Championships held in Munich. This was a fantastic achievement for James where he finished 6th out of 37 crews in the Double Scull event and 4th out of 18 crews in the Quad event. Well done.

Our Junior Rowers have been experiencing a great deal of success in the current outdoor season. Meghan Lawless, Matthew Hart, James Marshall, Georgia Swain and Adam Fox have all achieved some outstanding results including Gold Medals in competitions this season. These have been outstanding achievements. Well done.

Jack Hunt take Silver in Cricket Competition: The Deaf students at Jack Hunt School were invited by the County Disability Sports Forum to take part in the fourth Youth Games PLUS. With the London 2012 Olympic and Paralympics Games getting closer, the organisers created a wonderful atmosphere with 550 competitors from 17 schools proud to be involved in sports.

The Youth Games PLUS is the only county wide sports events that bring together young people with

disabilities or additional needs in Cambridgeshire and Peterborough. Our students took part in a cricket tournament with teams from Cottenham Village College and their feeder primary schools. The day was a great success for everyone. All the students were happy with their achievements and are looking forward to next year's games.

Outstanding Achievements: Kelsey Brace (Year 10) was selected for a six week trial at Nottingham Forest Football Club Development Centre as a Goalkeeper. Kelsey impressed the coaches and as a result has been selected for further trials and training in September. We wish him well for this. Good luck.

Louis Smith meets talented Athletes of the future

In April some of the talented athletes at Jack Hunt School had a surprise visit from Olympic Bronze Medallist Louis Smith. Louis took time out of his busy training and media schedules to offer some advice and guidance to the potential Olympians. Students were able to ask him lots of questions about what it was like to go to the Olympics and how he felt when he won the Bronze Medal. Students were also lucky enough to hold the actual Bronze Medal that Louis won in Beijing! We look forward to some of the future Olympians from Jack Hunt School achieving their full potential in their chosen sporting careers.

Year 6 Top Link Sports Conference: Jack Hunt School hosted a Top Link Sports Conference for 108 Year 10 students from Peterborough and Cambridgeshire. The whole day was led by our Year 12 Sports Leaders. Michelle Robinson, former Olympic Triple Jumper, attended as an Athlete Mentor and took part in the whole day with the students.

Mr Game

As a result of the day schools had to then organise their own Top Link Festival for students at their own schools.

Barcelona Trip: We took 30 students in Year 9 and 10 to Barcelona, Spain in May half term. We played both football and hockey matches against Spanish opposition in which there were some fantastic performances. The match players in the games were Zoe Watkins, Jo Calderbank, Georgia Murphy and Liam Morgan. We also had a day trip to Barcelona to see the Nou Camp a day before the Champion's League Finals so the place was buzzing! The highlight of the trip was definitely the football matches at the end of the week. Well done to everyone that went; it was a very enjoyable week and gave a very good insight into how good Spanish sport is, very educational!

Rounders Success: Congratulations to the Year 10 Girls Rounders Teams. We took two teams to the Peterborough Schools Rounders Tournament and one of our teams won, beating Peterborough High, Kings, Thomas Deacon, Stanground, Sir Harry Smith, Orton Longueville, Voyager and Bushfield.

The **Winning Team** were: Bethan Owen, Hannah Sharman, Amy Wells, Charley-Lee Burton, Laura Wadsley, Samantha Vicarey, Tess Gee, Monique Williams and Amy Woods.

Team B were: Asha Parekh, Haleema Hussain, Muriam Rehman, Nidah Muhammad, Ruksar Ishaq, Zahira Bibi, Amina Raza, Raheena Noreen and Lucy Clements.

Leadership Academy: Sixteen Year 10 students have been chosen to develop their leadership skills even further by completing National Governing Body Awards. They have finished their Table Tennis Leaders Award and will be volunteering in this new academic year in our partner primary schools to support out-of-hours PE Clubs.

Mr Game

Primary Sports Athletics Days: Our Year 10 Sports Leaders have been helping to support our partner primary school sports days. They have done a fantastic job supporting staff and students in the individual events. Well done

Mrs Dingle

Sainsbury's and Tesco Vouchers: There has been an amazing response by staff and students to collecting these vouchers. We will be able to purchase lots of equipment to support our inter-house sports. A massive thanks to Mr Kent and the ICT team for helping to collect over 20,000 Tesco vouchers.

Duke of Edinburgh

Duke of Edinburgh students have been busy since our last update planning and preparing for the expedition phase of the Award. Year 10 students completed a

VERY COLD practice expedition at Sacrewell Farm at the end of March. The ice on the inside of tents was not welcome,

but all the students demonstrated excellent character to overcome this. The 'real' expedition took place at Wing Hall, Rutland. Over two days students had

to use their navigation, teamwork, leadership, camp craft and countryside knowledge to meet the assessment requirements. All students are now preparing presentations of their weekend away.

The Year 12 students completed a three day practice expedition and have recently returned from their final assessment which took place in Hulme End, Derbyshire.

For more information and regular updates there is now a VLE page which is within the PE pages.

Mr Smith

Gym and Dance Festival: In this year's Festival there were over 100 students from Reception up to Year 13. This made it a unique opportunity to celebrate the good work achieved by all students. The Beeches School brought 24 pupils from their Reception class to show a Jabadayo Dance, Middleton School presented three dances from their Country Dance Team. Longthorpe and Ravensthorpe showed dances that had been choreographed by the students in

their after school Dance Clubs. Lucy and David Clements presented their pairs Gymnastic sequence and Marcus Morgan performed his Gymnastic routine. Sophie Stokes, Lutcia, Giselle and Maxine Taylor performed their Dance examination set pieces. Joe Matthews, Roger Banda, Andrew Asante and Liam Auchinvole worked with Joe Dafimu to choreograph an exciting 'Street Dance' routine.

All students showed that they had worked very hard and they really excelled in their chosen performance and enjoyed watching other pupils perform.

Mrs Dingle

Wembley Trip: On 13 June 2009, fifteen of the Year 7 football squad went to Wembley to watch the School Boy International against France. There were a number of games which were played on the day which included the final of the U11 school competition. The School Boy's game involved players from Sixth Forms and Colleges against the U18 French team. France took the lead but England equalised twice to take the score to 2-2, the second equaliser was a bizarre own goal caused by a pass back which wasn't cleared by the goalkeeper. France went on to win the game 4-2 after Fofana Gueida scored a hat trick and were the deserved winners.

Well done to all those who went, for their fantastic behaviour, it was a really enjoyable day!
