OLYMPIC ACHIEVEMENT

Three Jack Hunt students were extremely fortunate to be part of the London 2012 Olympic Torch Relay. Sumayya Manji (Year 9) applied to carry the torch through Coca-Cola and was selected because of her volunteer work which she has carried out at places such as the mosque youth group.

Edith Prosser (Year 8) was nominated by Jack Hunt School through a London 2012 initiative. As a school we were one of only 212 schools asked to nominate a Year 8 student who was and is making a valuable contribution to the school.

Matthew Newton (Year 11) was nominated by Jack Hunt School because of the fantastic amount of volunteering he does within swimming and rowing.

All are extremely deserving of this opportunity and had a wonderful experience being cheered on by the general public of Peterborough and Spalding. All three students are pictured with their torches. Well done to them all.

Celebrating Success at the Panathlon Games

On Wednesday 30 May, 14 students travelled to Cambridge to represent Peterborough in the County organised Panathlon Games.

The students took part in Boccia, New Age Curling, Table Cricket, Athletics events and Polybat, with relay races in the afternoon.

During the morning we gained lots of points towards the overall score winning the Power-Chair Slalom Race and New Age Curling.

We were extremely successful in the afternoon Relay Races accruing lots more points towards our total. When the competition was over and the results were being read out, we all waited in anticipation...

By the time second place was announced, we knew we had won! Everyone had smiles on their faces as we collected our winners' plates and certificates. Well done to our students, they were a credit to the school and the Peterborough Team.

Art Sport Workshop

On Friday 22 June, 16 students from five of Jack Hunt's feeder Primary Schools came to the School for the day to participate in an Art Sport Workshop. Students investigated links between Sport and Art and learned an art technique that was introduced to the school by Olympic Athlete and Artist, Roald Bradstock when he visited in December 2011. Primary students worked

alongside Jack Hunt's Art leaders to create a piece of Art inspired by the Olympics.

Rounders

Jack Hunt Girl's Team have made a great start to the summer term with success in friendlies against King's. The lively Year 8 Team outplayed their opponents and won comfortably with a 16-9 score. The Year 10 Team also demonstrated their prowess with a 13-9 win. The Year 7 and Year 9 Teams narrowly lost in their matches but put in great performances which challenged King's players and kept them on their toes! Well done to all the students who regularly come to training and took part in these matches. Unfortunately due to the weather we have missed opportunities for more friendly matches, but we look forward to further success at future Rounders Tournaments.

Miss Chima

When London was selected to host the 2012 Olympic Games, I knew I wanted to be part of it. Last summer I attended my interview to become a "Games Maker", over 250,000 applied and only 70,000 were chosen.

Since finding out I have become a Games Maker I have

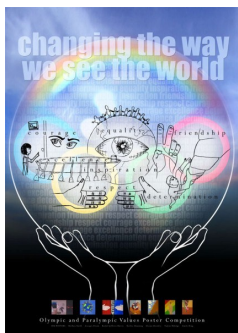

been regularly traveling down to London for training for the big event. I will be working at the Excel, where the Taekwondo, Judo, Boxing, Table Tennis, Weightlifting and Wrestling will be taking place. Being a Taekwondo fighter myself, I'm really looking forward to working there, and fingers crossed I may even get to meet some of the Olympic athletes!

Now its only a few weeks to go, I have my uniform and I'm really excited and really proud to be a London 2012 Olympic Games Maker.

Miss Thurley

Olympic Art

All Year 9 and Year 10 students were given the chance to enter an art competition to produce a piece of

work that represented the Olympic and Paralympic ideals or Pledge Against Prejudice.

Congratulations to the winners whose prize was to work with a professional designer and developed their winning pieces into a final professional product as shown.

Golf

Nine students have been taking Golf lessons at Milton Golf Club. The students have been perfecting their swing with the Club Pro seeking advice on how to become the next Luke Donald. In their lessons students have practiced their iron shots, putting, bunkers shots and shots onto the green. Well done to all the students who have taken part and we hope to be running more lessons in the new term. *Mr Crawley*

Cricket

The Under 12 Cricket Team had a chance to play in the David English Bunbury Competition with teams such as Thomas Deacons Academy (TDA) and St Ivo School. The team managed to get through to the final and beat TDA. It was a close fought game with Jack Hunt scoring 85 runs for 7 wickets and TDA finishing 55 runs for 9 wickets. That now means that next year the boys will represent Peterborough at regional level in a tournament. Good luck to the Team for next year and a big well done for all the efforts this year despite the weather.

Mr McAuley/Mr Hammad

Junior Football Leaders

Over Half term Max Bradbury, Hamza Ali Ahmed and Richard Millington attended a

Junior Football Leaders Course. This six hour course gives an insight on how to coach younger students, basic refereeing, arranging tournaments and running a successful community football club. On completion of this the boys have to volunteer for four hours coaching within the community which has been arranged through our Cluster Schools. Year 5 and 6 pupils have been invited to attend an hour's coaching session from 3.30 – 4.30 pm on Tuesdays, which is becoming ever more popular with our Cluster Primary Schools.

Swimmers Success at Regionals

Jack Hunt recently had seven swimmers attend the British Gas East Region Championship at the UEA.

Katie Brown (Year 7) was the most successful of the swimmers; she won six Gold Medals in

the 200 Free, 400 Free, 100 Fly, 200 Fly, 200 IM and 400 IM. She won Bronze Medals in the 100 Free, 200 Back, 4 x 100 Medley Relay and 4 x 200 Free Relay. Katie was awarded the BAGCAT Award for being top 12 year old girl in the Region.

Dan Brown (Year 9) won a Gold Medal in the 1500 Free, Silver in the 200 Fly and 4 x 200 Free Relay, as well as Bronze Medals in the 400 IM, 400 Free, 4 x 100 Free Relay and 4 x 100 Medley Relay.

James (Year 9) and Hannah Newton (Year 7) also swam at UEA, it was Hannah's first year at the regional competition, she competed in seven events, managing to beat her personal best in all her swims and finishing in the top 20 in all her races. James had six qualifying times for the Regional Championships. He qualified for three finals - in the 100 Breaststroke, 200 Breaststroke and 200 Backstroke, finishing 3rd, 4th and 5th respectively.

Jamie Scholes (Year 7) won Silver in the 100 and 200 Backstroke, Bronze in 1500 Free, 200 and 100 Fly. He also finished 4th in the 12 year age group over all.

Dan Leigh (Year 8) achieved three individual Silver Medals, 1 Relay Silver Medal and 2 Relay Bronze Medals. He also came 2nd overall in the 13 year boy's category.

Josh Cassidy (Year 8) qualified for two events and set a personal best in one of the races. This is a fantastic achievement as it was the fourth consecutive year he has competed in a regional competition.

As you agree some excellent achievements and many of these swimmers have gained times to swim at the National Championships. We eagerly await how they will do.

Duke of Edinburgh Season

With the summer months here it means that our Duke of Edinburgh Award students have the opportunity to put all of their skills they have learnt over past six months into practice.

Our Bronze students are heading to Wing Hall, Rutland to complete their assessed expedition, with the Silver students heading to the Manifold Valley in the Peak District, hopefully they will have better weather than last year. Finally, our Gold students are in Wales for five days completing their practice expedition in preparation for their assessed expedition in September. JACK HUNT YEAR 6 OLYMPIC GAMES

Jack Hunt School became the Olympic site for 300 Year 6 pupils from eight Primary Schools. To experience being part of an Olympic event, each school bought teams to compete in Cycling, Gymnastics, Handball, Athletics and Rowing. Year 12 Level 2 Sports Leaders organised the practice and the competitions. Highlees won the Gold Medal in Handball, Longthorpe won the Cycling, Ravensthorpe won the Gymnastics, Thorpe won the Rowing and West Town won the Athletics. The overall results were: Bronze Medal - Sacred Heart, Silver Medal – jointly won by Longthorpe and Gladstone and the Gold Medal - Highlees.

The sports leaders did an excellent job organising the event and there were some fantastic performances from the primary competitors.

FIT 4 ALL ROWING

The School have been awarded £8,897.00 to support a Rowing Project with our Primary Schools. The money was used to buy six starter boats and provide Ergo Coaching (rowing machines) for Longthorpe, Thorpe, Sacred Heart and Middleton Primary Schools. This experience has then been followed up at Peterborough City Rowing Club with rowing sessions on the Rowing Lake. All the pupils really enjoyed the experience and will be taking part in a Regatta at the beginning of July. Steve Fox has been delivering the coaching and his inspiring leadership has motivated the Year 6 pupils to become very interested in this new sport.
