

My Nutrition Diary

Using the diary below, write down everything you eat and drink over the next two weeks. Once you have eaten record it as soon as you can to make sure you don't have any blank spaces. Also don't forget to attach it to your logbook as evidence!

My Exercise Diary

Write down any exercise or activity that you do over the next two weeks in the table below. This can include physical activities such as going on a bike ride with your family, walking to school, competing for your school or playing a match for your local team. Make sure you write down how long you did the activity for.
