

HEALTH AND SOCIAL CARE

Cambridge National in Health and Social Care introduces you to the specialist knowledge and skills needed to work in various care settings. It's a vocational qualification, equivalent in value to a GCSE and contains both practical and theoretical elements.

COURSE DASHBOARD

EXAM

NEA

OCR Cambridge National Level 1/2 in Health and Social Care

This qualification will help you to develop knowledge of the rights of individuals, person-centred values and how they can be applied, and to understand the importance of effective communication skills when working in Health and Social Care settings.

You will also develop the skills needed to ensure a safe and hygienic environment for those in care.

You will study the key aspects of health and social care, and have the opportunity to apply what you learn through a number of practical experiences. This will involve the studying of one exam unit and two non-examined assessment units.

As part of the Cambridge National, you'll cover:

- principles of care
- helping individuals find the support they need following life events
- planning and delivering creative and therapeutic activities

Unit R032	Principles of Care in Health & Social Care Settings	External exam 40% of qualification
Unit R033	Supporting Individuals Through Life Events	Non-examined assessment (NEA) 30% of qualification
Unit R034	Creative and Therapeutic Activities	Non-examined assessment (NEA) 30% of qualification
