

DESIGN & TECHNOLOGY

COURSE DASHBOARD

This course focuses on creative problem-solving, the communication of design solutions and the realisation of product proposals.

EXAM

NEA

AQA GCSE Design and Technology

GCSE Design and Technology will prepare students to participate confidently and successfully in an increasingly technological world. Students will gain awareness and learn from wider influences on design and technology including historical, social, cultural, environmental and economic factors. Students will get the opportunity to work creatively when designing and making and apply technical and practical expertise.
