Attendance Newsletter

November 2026

Welcome back, we hope you had a restful break and are ready for another term of learning and extra-curricular activities at JHA.

We are delighted to share the news that we are ahead of the national average for term 1.

A special mention goes to Year 9, who are currently 1.4% above the national average. Well done to all students, parents/carers and staff, this is a fantastic achievement!

Let's work together to make sure this term is well attended across all years in the school.

Remember, every 2 weeks you have 100% attendance, you have entry into the end of half term draw.

Year 11 and Year 13 mocks are taking place over the next few weeks. This is great practice before the actual exams in the summer.

Remember that there is no alternative date if you miss an exam in the summer. Let's use this time to build resilience and attend all mock exams.

Good luck to all!

Attendance Matters - Edulink

You can check your child's attendance at any time using Edulink. Here you can access your child's attendance for the day, month, academic year or by each subject.

Your child should also know how to check their attendance on Edulink under the attendance area.

As always, we are here to help if you have any questions.

Cough, cold and sickness season

As we approach the colder months, we understand children may get minor illnesses such as coughs, colds and general sickness, but where possible, please encourage them to attend school to continue their learning.

If in doubt, please send them into school and we will keep an eye on them and contact you if they need to be sent home at any point during the day. We have a fantastic team of staff who are able to support your child if care is needed.

Thank you for your support with this.

Should your child need a medical appointment, please try and arrange them for outside school hours.

If this is not possible, please ensure your child is only out of school for the time necessary for the appointment to minimise disruption to their learning.

School Contact Details

Should there be extenuating circumstances and your child really cannot be in school, please contact the school by **8.30am every day** your child cannot attend, detailing the reason for the absence. Remember 'sick', 'unwell' and 'ill' are not sufficient explanations, some detail of the illness is required.

Email: attendance@jha.keystrust.org

Telephone: 01733 263526 and press option 1

Please communicate with the Student Support Officers if there are any concerns regarding absence - we are here to help ensure your child maintains regular attendance.
