Sports Magazine December 2010 Issue 14

JACK HUNT SCHOOL ANNUAL SPORTS AWARDS EVENING

Thursday 4 November 2010 saw Jack Hunt School hold their annual Sports Award Evening to celebrate the outstanding sporting success and achievements of its students.

Numerous award categories were

recognised from Highest Attendance at Extra Curricular Activities, to Most Improved Students at GCSE and Outstanding Sports Person on the Junior Athlete Education Programme. This year had over 150 people in attendance including students, parents, Governors, award sponsors and welcomed Guest Speaker former British, Commonwealth and World Champion Swimmer Karen Pickering MBE. Karen gave a captivating and inspirational speech highlighting key events that had contributed to her consistently achieving at the highest level of competitive sport. There were also awards presented from Peterborough School Sports Partnership in which Jack Hunt students were extremely successful.

The Awards Evening has grown since it was first launched last year and it was fantastic to see so many people attend. It was great to celebrate and recognise the hard work and determination of the students, with everyone thoroughly enjoying Karen Pickering's captivating speech. A charity raffle was held which raised £130 and all proceeds will be going to the flood victims in Pakistan.

Mr Smith

Duke of Edinburgh Award

Over three weekends at the beginning of October students across Years 10 and 11 completed their practice

expeditions for their Bronze and Silver Duke of Edinburgh Award. Students learnt about navigation

and map skills, the basic use of a compass, campcraft and emergency procedures.

Although a numbers of groups found the second day's walk

challenging, all

students learnt a great deal from their weekend.

Over the next few months they will spend time completing their Volunteering, Skills and Physical Recreation sections of the awards.

Mr Smith

Under 14 Girls Hockey

On the 21 October 2010 Jack Hunt students played a friendly Hockey Tournament at The King's School. A mixture of Year 8/9 students played extremely well in the first game against King's B Team winning 4-1. The 4 goals were split between Kia and Ebony Welch scoring two goals each and with fantastic goalkeeping from Alice Dolan it meant they only managed to score one goal. A fantastic achievement as it was her first time being a hockey goalkeeper.

Unfortunately the second game was not as successful for Jack Hunt who lost 2-0 but Elisha Reid, Rachel Jeffries-Harris and Arzoo Maqsood proved to be fantastic defenders.

The last match however was a completely different story. The Jack Hunt team won 8-0 against Voyager with goals from Georgie

Elsom, Emily Ding, Rachel Jeffries-Harris, Kia Welch, Ebony Welch with a hat-trick from Salina Iqbal. All the team did a fantastic job, well done to them all.

Mr Crawley

Basketball

Jack Hunt's "Jackals" Basketball Team have been causing uproar in the Peterborough Schools competition this year, remaining undefeated as Western Division School Champions.

The tournament format has changed this year meaning the games are a little longer but the team went in with real purpose and has put in a really impressive effort. Reports from staff at other schools involved have been outstanding and they have all been an absolute credit to Jack Hunt School. We are all very proud.

As they prepare for the Peterborough Schools Final game on Thursday 16 December the Jackals are rightfully proud of their running score - an amazing 165-15, a score that should see them as favourite for the trophy and, ultimately, the County School Championship next February.

The team are: Paul Jarman, Kurvin Guiste, Omar El-Gozali, Utsab Rai, Dominic Morgan, John Abing, Marcus Morgan, John Smith, Kieran McMullon and Harley Davitt.

Mr Brown

Jonathan Lee – Year 10 – Under 16 County Hockey Goal Keeper

Well done to Jonny, he is regularly representing Cambridgeshire County in Under 16 Hockey. He plays in goal and recently had an outstanding game to win on penalty strokes! He also plays for Peterborough Town on a regular basis. Well done and have a good season.

Miss Jeal

Your Help is Needed

If you are a student who is competing in any sport at County or above standard or you are a parent of a child competing at these levels, we would like to know about it.

Please email information to Mr Game
cgame@jackhunt.net

Oarsome

Three students from Jack Hunt School experienced wonderful success at the British Indoor Rowing Championships in Birmingham during November. All combined with

students from other schools to compete for medals in their age range. Dan Brown (Year 8) was Gold Medallist in the J13 Team Event, supporting his individual development from Year 7 to Year 8 in Peterborough Schools competitions where he is maintaining very high performance levels.

Matt Hart and James Marshall (Year 10) were both Silver Medallists in the J15 Team Event, again supporting the great individual promise both boys have been showing at Peterborough City Rowing Club.

Mr Game

Fenland League Cross-Country 2010

Congratulations to Elisha Reid (Year 8) who has finished 1st in the first two races of the Fenland League Cross-Country Competition. Elisha worked exceptionally hard to beat over 100 students in the races held at Crowland and Stanground. Also achieving excellent results are Alice Dolan (Year 9) who finished 3rd in the race at Crowland and 4th in the race at Stanground, and Bethany Jones (Year 8) who finished 7th in the race at Crowland.

Well done to all students who have competed in these races.

Mrs McCormack

Swimming

Dan Brown (Year 8) has been very successful in his swimming; at present he competes for the City of Peterborough Swimming Club within their Blue Squad, however, he is currently going through the trial process to be part of the top Gold Squad.

This year he has been very successful at a range of events gaining a number of medals. Dan has also achieved Regional and National times this year. At the National Finals Dan finished 10th in the 200m Freestyle Finals, giving him an amazing ranking of 10th in the UK for his age group. In addition to this spectacular achievement, Dan also successfully finished 20th in the 4 x 200m Freestyle Relay. The PE Department would like to congratulate him on such a wonderful achievement. Well done Dan!

Mr Crawley

Fleet of Mountain Bikes

During the summer term Kay Landells, Hannah Sharman, Jessica Kenny and Olivia Riordan from Year 11 put together a proposal to Peterborough Youth Bank for a grant to purchase a Fleet of Mountain Bikes. These could be used during curriculum time as an extra curricular activity or for Duke of Edinburgh Award Students to complete their expeditions using a different form of travel. Well done to the girls involved in this project.

Mr Smith

Playground to Podium

Hearing Impaired students from Jack Hunt School and Stanground College have been participating in a joint sports club every Monday after school to help develop leadership and skill in a range of sporting activities. The sessions are led by Vivacity and students will be working towards completing leadership qualifications in the future.

Well done to everyone involved.

Mr Game

Valuable Items

Before PE lessons, students should give valuable items to their PE Teacher for safekeeping. They should not be left in the changing rooms as we cannot guarantee all changing room doors will remain locked.

Please support us by reminding students of this.

Mr Game

Safety Equipment

Students experience many different sporting activities in PE. Avoiding injury is extremely important. It is recommended students should wear shinguards and studded boots for football and shinguards and mouthguards for hockey.

Mr Game

Primary Festivals – Football, King Ball and Dodgeball

Over 830 primary school pupils have attended Jack Hunt School recently. 500 pupils from Years 3, 4 and 5 from some of our partner primaries; Longthorpe, Thorpe, West Town, Gladstone, Ravensthorpe, Highlees and Sacred Heart, participated in Football, King Ball and Dodgeball.

These festivals were organised by 50 Year 12 Community Sports Leaders as part of the Young Leaders Programme. It is fantastic to see Jack Hunt students leading and teaching younger children.

As part of our extensive sports leadership programme, 200 Year 9 and 150 Year 10 students have been developing leadership skills. To put these skills into a practical context they have taught fitness and dance lessons to 330 primary school pupils.

This high level of participation shows that school sport is really flourishing and children from all ages are full of enthusiasm and are motivated by the challenges they are presented with.

Students were able to warm up the pupils, communicate effectively and organise skills in a small circuit. Feedback

from the primary school staff was very positive and our students look forward to taking part again.

Well done to everyone involved.

Mrs Dingle

Peterborough Schools Cross Country

Despite the freezing -2°C conditions, Jack Hunt students showed great resilience at this event. We had over 70 athletes taking part in this fantastic event. Students who finish in the top 20 increase their chances of being invited to the County Cross Country Championships in the New Year. Well done to everyone who took part.

Abigail Williams	14 th	Minor Girls
Edith Prosser	15 th	Minor Girls
Poppy Hodson	16 th	Minor Girls
