JACK HUNT "JACKALS" BASKETBALL TEAM

Congratulations to the "Jackals" Basketball team who have carried on their winning streak. After taking the Peterborough City Championship against The King's School in December, the team have since gone on to win the County Schools Final, defeating the Netherhall School from Cambridge by 10 points after clawing their way back from a huge deficit in the first quarter.

The team carried on to the second round of the regional competition before being knocked out by St Christopher School from Letchworth. As this was the first forum into National Level Competition they have had a very successful year. Their record has placed them in the top 30 ranked school teams in the UK! Well Done!

Mr Brown

BADMINTON

Centre Parcs National Schools Badminton Championships

The Key Stage 4 girls and boys teams played very well and qualified for the Cambridgeshire County round. Both girls teams narrowly missed winning and progressing to the regional finals. Congratulations to Jessica Sharman, Megan Parry, Tara Kelly and Natalie Hughes from Year 11. From Key Stage 3; Rachel Jeffries-Harris, Anna Hodgson, Georgie Elsom and Emily Ding.

Peterborough Schools Badminton Championships

Both the girls and the boys teams performed extremely well and won the overall school competition. There were individual successes for Rachel Jeffries-Harris, who won the Key Stage 3 girls singles. In the doubles, Jessica Sharman and Megan Parry won the Key Stage 4 girls competition. The standard of play was extremely high and there were also outstanding performances from Steven Nuzzo and Daniel Wisbey who lost to the eventual winners.

Mrs Dingle

Key Stage 5 Peterborough Schools Volley Ball Championships - Winners - Jack Hunt

Jack Hunt's Year 12/13 team competed against seven other Peterborough schools, they won all their matches in the preliminary rounds. They beat Thomas Deacon Academy in the semi final and progressed to play Stanground College in the final. The team demonstrated excellent team skills as well as outstanding tactical play. This success has motivated them to challenge the PE Department to a match.

Mrs Dingle

Hooping World Record Attempt

It has now officially been confirmed by Guinness World Records - The Hooping World Record attempt was successful with 4,700 students hooping for two minutes. Well done to all Jack Hunt students who took part.

Mr Game

TABLE TENNIS The Peterborough Schools Table Tennis Championships

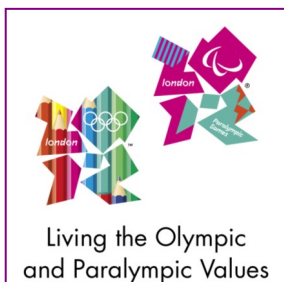

The Doubles Championships held on 7 December 2010 comprised of entries from six schools with 68 students competing. The Key Stage 3 Boys Tournament was won by Hampton College, with their second team being runners up. The Key Stage 3 Girls Tournament was won by Jack Hunt students, Greta Pocaite and Georgie Elsom. The Key Stage 4 Tournament was won by Jack Moore and Omar Afzal, with Khuram Mehrban and Kyle Medcalf runners up, all from Jack Hunt. The Key Stage 4 Girls Tournament was won by The King's School. The standard of play was very high throughout the competition.

The Singles Championships were held a week later on 14 December when six schools competed in the Key Stage 3 and 4 competition. 44 students took part and there were some excellent matches. Jack Hunt had three finalists; Greta Pocaite won the Key Stage 3 Girls, Lewis Tuck won the Key Stage 3 Boys and Jack Moore, after a very closely contested match, lost to The King's School in the Key Stage 4 Boys tournament.

Table tennis is a very popular sport in school and the interest generated from this competition has motivated our students to want a Jack Hunt School Championships.

Mrs Dingle

500 Day Olympic Countdown Event

All secondary schools in Peterborough took part in an Olympic Festival on 15 March at the Embankment Athletics Track to celebrate the launch of the 500 day countdown to the London 2012 Olympic Games. Our hearing impaired students have recently completed the Boccia Young Leaders Award and led sessions at the Festival. Here is their account of the day. "We arrived at the Regional Track and waited for a few more people to arrive.

Mrs Dingle gave us a red jacket, on the back was written 'Official' to keep us warm because the weather was freezing and windy but this didn't stop us having fun. There was an opening ceremony at the start of the event and all the children split into five groups to represent the five rings of the Olympics. There were Africa, Asia, Europe, USA and Oceania. The Olympic Torch was carried to the Mayoress of Peterborough and she declared the ceremony and Games open. The events included boxfit, boccia, cycling, football, hockey, hurdles, handball, long jump and shot putt.

Katie Bocking, Naima Suge, Stephen Sear and ourselves were working towards our Sport Leadership Qualification so we spent the day organising, demonstrating and helping the Boccia event.

We would like to say thank you to Mrs Dingle for taking us there along with the TAs for communication. Also we would like to say thank you to Mr Game, Tom, Adam and Michael for helping and giving us this opportunity. We all enjoyed this event".

Ayesha Quraishy and Javaria Nargis

Peterborough School 6-A-Side Football Tournament

On 16 March, the Year 7 Football Team took part in a six-a-side football tournament organised by The Peterborough School. The tournament involved a league where they had to play five other schools including The Peterborough School, King's, Bushfield,

Ken Stimpson and Sir Harry Smith. A fantastic afternoon of football saw Jack Hunt come home with the trophy. They drew their first match but then went on to win their remaining four games. The win was made even better as the team managed to keep a clean sheet in all of their matches.

Well done to all the boys who played.

Mr Young

Cross Country

Congratulations to Elisha Reid (Year 7) and Alice Dolan (Year 9) for their performance in the Fenland League Cross Country. They both have shown excellent commitment, motivation and have competed in all three meets. The last meet was held at Spalding Grammar School and Elisha continued her excellent achievement with another winning performance. She also finished in 1st position at the meet at Stanground College last October and the meet at Snowden, Crowland. Alice, who is competing against Year 10 students also had a good run at the last meet finishing 6th. Alice finished 3rd and 4th in the previous two competitions. Well done to both students.

Mrs McCormack

Level 1 Award in Dance Leadership

Since September, nearly 70 Year 10 and Year 11 students signed up to complete the Level 1 Award in Dance Leadership. It has been a particularly impressive year, with the majority of students showing great

commitment and enthusiasm whilst leading both their peer group and younger pupils through dance exercises.

A particular highlight has been the Year 10 Dance Leader Group, who regularly visited Sacred Heart Primary School to confidently deliver several dance based sessions. They worked incredibly well as a group, supporting each other and using their initiative to adapt their session appropriately. The dance lessons were thoroughly enjoyed by all the pupils as well as their teachers. Both Year 11 groups gained experience teaching students in Year 7 and 8, adapting lesson material to suit individual needs and abilities. Well done to all students on the course.

Miss Wright

Cricket

Well done to our three Cricket teams this year in the Indoor Cricket League. There were some really hard fought games throughout the league. Both Year 8 and 9 played well with really consistent batting and fielding, however despite this consistency they did not manage to get to the final.

A big congratulations goes to the Year 7 team who managed to get to the final having played extremely well in the build up games. They came through to beat The Peterborough School a massive 127 to 36, Ken Stimpson 93 to 27, Orton Longueville 124 to 49. In the final they played Thomas Deacon Academy, it was a very closely fought game with both teams taking 4 wickets each. It came right down to the wire with Thomas Deacon

beating them by a very narrow margin 102 to 95. Well done Year 7, it looks like being an interesting outdoor season.

Mr McAuley

Great Britain Rowing

Well done to Meghan Lawless (Year 11) who was invited to the GB Trials in November and February. Following successful trials Meghan has been invited to a 3 day GB Training Camp in April to prepare for more trials over the Easter Weekend. Good Luck!

Mr Game

Duke of Edinburgh Award

Jack Moore has successfully completed his Bronze Award and is well on the way to achieving his Silver Duke of Edinburgh Award. He is pictured here taking part in

his volunteering section of the award, helping out at Age UK in Bretton. As well as

volunteering Jack is also learning how to umpire table tennis matches (skill) and continuing to run for Nene Valley Harriers outside of school for his physical.

Mr Smith

Dance and Gymnastic Display

104 students from Year 1 to Year 12 took part in a superb display of Gymnastics and Dance. Students enjoyed performing their Gym sequences and Dance routines as well as watching others perform. Lucy Clements, Holly Toze and Hollie Chapman showed their

outstanding GCSE Dance choreography. West Town, Longthorpe, Sacred Heart and

Mrs Dingle

Ravensthorpe Primary Schools presented their Year 1 and 2 gymnasts as well as some beautifully danced routines. The activities were prepared in curriculum time or after school clubs.

Duke of Edinburgh Award Update

Students have been working hard to complete their skills, volunteering and physical recreation sections of the award. It is really pleasing to see so many students taking part in a variety of different volunteering opportunities, ranging from helping out at charity shops, to assisting at care homes to caring for animals. Whilst completing these sections of the award students are also completing expedition training in order for them to be self sufficient for their assessed expeditions in June and July.

Gold award students are beginning to prepare for their practice expedition in the Brecon Beacons coming up at the end of July.

Year 9 students keep an eye on the notice boards and plasma screens – Information will be available to you soon on how to complete an application form using the VLE if you want to complete the Duke of Edinburgh Award in Year 10.

Mr Smith

The Peterborough Schools Gymnastics Competition - JACK HUNT OVERALL WINNERS!

2011 saw the highest number of entries to date; Jack Hunt, Stanground College, Hampton, King's and Thomas Deacon Academy all took part and had a wonderful afternoon. The competition gives students who only experience gymnastics in the school setting an opportunity to perform, as well as those who compete regularly outside of school so gymnasts compete at their own level.

In the pairs category - Elisha Reid and Georgina Windsor came 2nd.

In the trio category - Kristy Hughes, Izzy Ciniero and

Chloe Garner were 2nd and Georgina Windsor, Elisha Reid and Alice Dolan were 1st.

The team were outstanding and showed excellent timing and choreography and displayed a very high level of skill. All had to perform to the very best of their ability to beat the tough opposition from other schools.

Mrs Dingle
